Bible Hill Recreation Park Dog Control Policy

Policy objective: To address a series of recent complaints by residents concerning dogs running loose around the playground area. The proposed policy would prohibit dog access near the playground.

- A sign will be mounted near the playground reading " No Dogs Beyond This Point. Dogs prohibited from playground, violators will be prosecuted." This would ensure the safety and peace of mind of all children and families within the playground area.
- Dogs must be on leash.
- The Village will request that the Animal Control Officer enforce this policy.
