After the parade, head over to our beloved park, where the festivities will continue with live performances, food vendors, and exciting activities for all ages. Save the date and come together to celebrate with us!

The parade begins at 10:00 AM. It will start at St. David's Avenue, turning left onto Pictou Road. From there the parade will be turning right onto Johnson Avenue, and then another right onto College Road. The parade will continue right onto Vimy Road, right onto Pictou Road and back to St. David's Avenue.

It's not too late to join the parade! Whether you are an individual, family, community organization or a business, we would love to have you in our parade.

If your group is interested in participating in the parade fun, you must fill out and send in a Parade Registration Package. Those who do not will be turned away. They are available at the office, or for download online at: biblehill.ca/canada-day-2023.

The party doesn't stop when the parade ends. After the parade, head to Bible Hill Recreation Park at 38 Guest Drive for Canada Day celebrations. Starting at 11:00 AM, there will be plenty of fun-filled activities and entertainment to keep everyone busy until 3:00 PM.

Performing Live: StoneHouse

StoneHouse will be kicking things off after the opening ceremonies at 11:00 AM! StoneHouse is an East Coast rock trio, cut from the cloth of Pictou County, Nova Scotia. Inspired by classic rock tones and a 90's swagger, they harness the craft of their influences with an original voice. Clever lyrics and clean harmonies on top of a heavy groove take your full attention with each song. We can't wait to welcome StoneHouse to Bible Hill. Gordon Tucker will also be performing and reprising his role as our Master of Ceremonies.

North American Indigenous Games (NAIG)

The 10th North American Indigenous Games will be held from July 15- 23, 2023 in Kijipuktuk (Halifax), Dartmouth and Millbrook First Nation. The NAIG helps Indigenous athletes realize the collective potential of their bodies, minds, spirit and of their people – their hopes and dreams – the spirit strong, brave and true. The Games will bring together 756 Indigenous Nations to celebrate, share and reconnect through sport and culture. Get out and support local indigenous youth athletes! Regional Accessibility Advisory Committee Members Needed

Municipality of Colchester, Town of Truro, Town of Stewiacke, Village of Bible Hill, and Village of Tatamagouche have created a Regional Accessibility Committee to ensure our communities align with the goals of the Province's Accessibility Act and to oversee the development and adoption of an Accessibility Plan for our region. The Regional Accessibility Plan was completed in 2022, and the Committee is now working to implement the recommendations of the plan. This plan is intended to make our region more equitable and accessible by preventing and removing barriers that restrict people with disabilities from fully participating in society. The role of the Accessibility Advisory Committee is to advise participating municipal units on identifying, preventing, and eliminating accessibility barriers to municipal programs, services, and infrastructure. The Committee will meet at least twice a year, and Committee members are appointed for a term of up to four years.

Under the Accessibility Act, at least half of the committee members must have a disability or represent an organization that represents people with disabilities. Interested in becoming a member of this committee? Interested in making a difference? If so, we want to hear from you!

To apply, please complete Regional Accessibility Advisory Committee Member Volunteer Application Form, located at biblehill.ca/images/RAAC_Application.pdf or for more information, assistance or accommodations, please contact the office at 67 Pictou Road, access@biblehill.ca or 902-893-8083.
