Following the call to order, Chair MacCormick asked Clerk and Treasurer Bell to introduce all call participants. Clerk and Treasurer Bell announced the names and positions of all participants on the call.

Review and approval of the minutes of June 16, 2020 and June 22, 2020.

Moved by Kennedy and seconded by Burke, that the meeting minutes of June 16, 2020 and June 22, 2020 be approved. Motion carried.

Review of agenda and call for new or other business; and approval of agenda

Chair MacCormick called for new or other business.

Clerk and Treasurer Bell requested to add 'local flood control' to the agenda; Chair MacCormick requested to add 'fireworks' to the agenda; and Burke? requested to add 'signage' to the agenda.

Moved by Kennedy and seconded by Burke, that the agenda be approved as amended. Motion carried.

Call for declaration of conflict of interests

Chair MacCormick called for any declarations of conflict of interest and no conflict of interest was declared.

Miscellaneous business including delegations

Chair MacCormick welcomed the TAAC Revitalization Committee to present their TAAC proposal for the Bible Hill Recreation Park.

TAAC Revitalization Committee

TAAC Revitalization Committee (TAAC) members Brian Wood and Iain Lapointe presented their TAAC proposal for the Bible Hill Recreation Park (BHRP). They spoke about upgrades and improvements that could be made to field three at the BHRP to convert to a senior ball field. Discussion was held on expanding existing fencing, installing netting and lighting around the field, installing new bleachers, a scoreboard, and relocating the walking trail due to expanded fencing.

The upgraded field would remain Village property once complete and the Village would be responsible for continuing maintenance. TAAC is seeking a location to offer senior ball for the region, and feels Village of Bible Hill is well suited to host such events. TAAC presented a breakdown of estimated costs, showing the project to total \$868,900 plus HST. Poles and lighting formed the largest cost area at \$526,800. TAAC noted the upgraded field could create revenue for Bible Hill and economic benefits for the community as host to senior ball games and tournaments for the region.

Chair MacCormick opened the floor for questions for delegates.

Clerk and Treasurer Bell asked if TAAC had considered the need for additional parking facilities. Wood noted that additional parking was identified, but the cost of a parking solution had not been included in the proposal. Commissioner Burke asked about seating. Wood noted that sets of bleachers are proposed for install at the site, and portable bleachers could be moved between regional recreation facilities, as needed. Clerk and Treasurer Bell asked if the proposed netting is installed permanently or retractable. Wood discussed lighting poles and retractable netting. Kennedy asked when TAAC needs a response from the Village. Wood said that, a response is welcomed as soon as possible, however given that there is no current senior ball being played, there is no real urgent deadline for a response.

Moved by Kennedy and seconded by Pitcher, that the TAAC proposal information be referred to Village staff for further review and discussion. Motion carried.

Budget Update

Clerk and Treasurer Bell presented a budget update as of June 30, including a description of operating and capital revenues and expenses, and bank account balances. Clerk and Treasurer Bell also noted the effects of COVID-19 on the Village's financial position.

Business arising out of the minutes

There was no business arising out of the minutes.

Review of Correspondence

J & G MacKenzie – Scenic Drive lots

Clerk and Treasurer Bell presented correspondence from Janet and Glen MacKenzie, indicating their intension to sell two parcels of land at the intersection of Maple Boulevard and Scenic Drive, one of which contains a portion of the Cobequid Trail. The correspondence offered the Village the first opportunity to purchase. Clerk and Treasurer Bell presented information on the parcels. He recommended the Village purchase PID 20150736.

Moved by Burke and seconded by Kennedy that the Village of Bible Hill authorize Clerk and Treasurer Bell to offer to purchase two properties, PID 20150736 and PID 20465563, for \$3,000 plus legal fees. Motion carried.

Reports of Commissioners and Clerk and Treasurer

Commissioner Burke, Transportation Services

Commissioner Burke noted miscellaneous pothole repairs conducted by Nova Scotia Department of Transportation and Infrastructure Renewal (NSTIR). He noted that some holes are fixed, though the patches are still very bumpy. He then discussed that NSTIR is paving Farnham Road and the Village's Pictou Road sidewalk project starts tomorrow.

Commissioner Burke noted concerns of the potential cost to move a Village of Bible Hill boundary sign, near the intersection of Village Line Ave and College Road.

Commissioner Kennedy, Protective Services

Commissioner Kennedy presented the Fire Chief's Report - as attached.

He then presented the 2019-2020 Crossing Guard Captain's Report – as attached.

Commissioner Pitcher, Recreation and Cultural Services

Commissioner Pitcher noted her tour of the Fire Station since some recent upgrades have been completed. She spoke about two sidewalk panels raised on Saywood Drive in need of repair.

Commissioner Pitcher presented the Parks and Recreation Director's Report – as attached.

Clerk and Treasurer Bell noted that the sidewalk panels mentioned have been identified, tagged, and costs have been sought on their replacement.

Deputy Chair Van Kroonenburg, Environmental Health Services

Deferred.

Chair MacCormick

Chair MacCormick noted her attendance at the June 22 Special Meeting, and a virtual TAAC meeting.

Chair MacCormick spoke about her attendance of the July 10 pride flag raising at DAL AC. She noted that DAL AC will be mostly online in September, with the exception of the Pre-Vet program. She also noted that DAL AC will not have their usual Community Day event due to COVID-19, and that they are producing a recipe book in its place.

She noted her attendance at the July 15 virtual announcement from the Honourable Keith Colwell, Minister of Agriculture, for the NSPEC receiving \$4.625 million in funding for upgrades to their facilities.

Chair MacCormick then noted that on July 24 at 11am there is an ANSV teleconference meeting. She has sent along her regrets, but she requested that a Commissioner attend on behalf of the Village.

Lastly, Chair MacCormick noted her Fire Station tour and that she was pleased with all the work that has been completed recently.

Clerk and Treasurer Bell

Clerk and Treasurer Bell noted Village Office and Hall are now open to the public, under a reopening plan. There are very few hall bookings at this time, and Bible Hill Fire Brigade has expressed interest in holding their monthly meetings in Village Hall.

The Parks and Recreation Director is back to work, and now certified for playground inspections. The Village now has two employees certified to complete these monthly inspections. The Director is planning small recreation events with sign-ups required. Clerk and Treasurer Bell noted that the Director is looking to hire casual part-time staff for after school activities and other recreation programming.

Clerk and Treasurer Bell noted that the Village received \$10,000 in grant funding from the Government of Canada to cover a portion of wages for three summer students.

Clerk and Treasurer Bell noted that on June 17, the Accessibility Advisory Committee held its first meeting. The Committee called a next meeting on September 26, at 2:00pm. He noted that on June 22 he attended a TAAC meeting and park walkthrough with TAAC Committee members, the Parks and Recreation Director, and Dave Ritcey, MLA. He has also attended four sanitary sewer study project progress meetings, and has applied for Provincial funding, as well as funding through the Federation of Canadian Municipalities. He attended a virtual consultation with the Department of Municipal Affairs and Housing, to discuss accessibility, elected officials running for other office, code of conduct, and affordable housing.

He noted that he attended a kickoff meeting for Pictou Road sidewalk project with the engineering firm and contractor on July 9. He explained that calcium has been applied to BHRP parking lot to reduce dust, and that additional banner hardware has been installed along Pictou Rad and new summer banners are now in place until fall.

Clerk and Treasurer Bell then described recent Brigade capital purchases. He noted that the office has applied for federal Enabling Accessibility Fund grant funding to cover 100% of costs for an exterior ramp and accessible second floor washroom for the Fire Station. He explained that our Accessibility Advisor, Laura, has reviewed legislation and standard guidance, prepared checklists and conducted various audits of the built environment. She is now compiling this information to report to the Accessibility Advisory Committee. Laura will also begin to develop a template for building an Accessibility Plan. He noted that SafeSidewalks Canada, who the Village hired earlier in the year, is not permitted to enter the province due to COVID-19 restrictions, but he will continue to monitor and advise the firm should restrictions ease.

Clerk and Treasurer Bell then explained recent complaint received of a sign near the intersection of Village Line Ave and College Road. Upon request of the Commission, Clerk and Treasurer Bell has contacted NSTIR to review the appropriateness of the site, which was originally approved by NSTIR, has suggested a replacement location if needed, but is awaiting response.

Clerk and Treasurer Bell updated the Commission on communication complications with NSTIR regarding multiple crosswalk inquiries from the Village, dating back to 2018. Bell noted that NSTIR has failed to communicate with the Village on these written inquires, and recommended, based on the excessive timeline and multiple inquires to date, that the Village forward its concerns to the Office of the Minister. Chair MacCormick agreed, and Clerk and Treasurer Bell indicated that Dave Ritcey, MLA, who was on the call had indicated at that moment his willingness to help facilitate that communication.

Clerk and Treasurer Bell then discussed that the office has been receiving numerous complaints on regular fireworks in the Guest Drive area. The RCMP have been contacted and are looking into the appropriateness and suitability of laying charges. Clerk and Treasurer Bell noted his correspondence with Mayor Blair, who also expressed concerns and noted that County staff are looking into the possibility of a fireworks by-law for populated areas.

Lastly, Clerk and Treasurer Bell explained that Village of Bible is participating in Operation Bluenose. The Village Office and Village Hall will be lit up blue for the event on the evenings of July 24 through 26.

Commissioner Burke commented. Chair MacCormick noted that she also received four complaints in the last week about fireworks.

Accounts

Moved by Burke and seconded by Kennedy, that Village of Bible Hill approve the accounts for payment. Motion carried.

New Business

Meadowland Trail resurfacing quote (Will-Kare and Hornbeam)

Clerk and Treasurer Bell noted to the Commission that Meadowland Trail is in need of resurfacing. He noted that the Village received Provincial grant funding of one-third of the cost towards this project, and presented two quotes. A quote from Hornbeam Contracting was \$11,052 plus HST, and a quote from Will-Kare Paving and Contracting Limited was for \$12,500 plus HST.

Moved by Pitcher and seconded by Kennedy that Village of Bible Hill accept Hornbeam Contracting's quote to resurface Meadowland Trail for \$11,052 plus HST. Motion carried.

Sidewalk repairs quote (Basin Contracting and Will-Kare)

Clerk and Treasurer Bell presented a list of sidewalk repairs for the Commission to consider and presented quotations from Will-Kare Paving and Contracting Limited for \$111,800, plus HST, and from Basin Contracting for \$246,413, plus HST. Clerk and Treasurer Bell noted that although the cost of completing the work would be over budget, the Commission has a project surplus on the Pictou Road sidewalk capital fund project, which could be used to fund the repairs overage. The Commission discussed.

Moved by Pitcher and seconded by Kennedy that Village of Bible Hill accept the quote from Will-Kare Contracting and Paving Limited to complete sidewalk repairs for a total of \$111,800, plus HST.

Maintenance pickup truck purchase

Clerk and Treasurer Bell presented the need to replace a maintenance pickup truck. He then presented results of a public request for proposals from Hollis Ford for \$33,115, plus HST, and from Blaikie's Dodge for \$36,493, plus HST.

Moved by Pitcher and seconded by Kennedy that Village of Bible Hill purchase a maintenance pickup truck from Hollis Ford for a total of \$33,115, plus HST. Motion carried.

Bible Hill Fire Brigade pickup truck purchase

Clerk and Treasurer Bell presented the need to replace a pickup truck for Bible Hill Fire Brigade. He then presented results of a public request for proposals from Hollis Ford, Blaikie's Dodge, and Truro Toyota, for four truck options. Clerk and Treasurer Bell recommended the purchase from Hollis Ford at \$45,749, plus HST. The alternative quote was from Blaikie's Dodge at \$50,000. Truro Toyota was unable to quote the option selected.

Moved by Burke and seconded by Kennedy that Village of Bible Hill accept the quote for the purchase of a pickup truck from Hollis Ford for a total of \$45,749, plus HST.

Bible Hill Fire Brigade hose purchase

Clerk and Treasurer Bell presented a sole source quote firefighting hose for Bible Hill Fire Brigade from Cuming's Fire & Safety Ltd, for a total of \$9,795, plus HST. The Commission discussed.

Moved by Kennedy and seconded by Pitcher that Village of Bible Hill purchase hose for Bible Hill Fire Brigade for a total of \$9,795 plus HST. Motion carried.

Bible Hill Fire Brigade furniture purchase

Clerk and Treasurer Bell presented a quote for the replacement of 15 office chairs for Bible Hill Fire Brigade from Denis Office Supplies, for a total of \$2,699.85, plus HST.

Moved by Kennedy and seconded by Pitcher, that Village of Bible Hill purchase 15 office chairs for Bible Hill Fire Brigade from Denis Office Supplies, for a total of \$2,699.85, plus HST. Motion carried

Reinstate asphalt surfacing (Webster Bros. and Will-Kare)

Clerk and Treasurer Bell presented two quotes for replacement of the northern entrance to the Village Office and Village Hall property off Ryland Avenue. Webster Bros. proposed \$33,850, plus HST, and Will-Kare proposed \$21,000, plus HST.

Moved by Pitcher and seconded by Kennedy that Village of Bible Hill accept the quote from Will-Kare paving for a total of \$21,000, plus HST, to renew asphalt surfacing at the northern entrance of 67/69 Pictou Road. Motion carried.

Osprey Court mail hut

Clerk and Treasurer Bell spoke about a request to take-over existing and continuing maintenance of the Osprey Court mail hut from the subdivision developer. He spoke about the current responsibility to maintain the site being with the subdivision developer, and that they are looking to have someone else take responsibility. It was noted that the mail hut is on a street and land owned by the Municipality of the County of Colchester. The Commission discussed.

Local flood control

Clerk and Treasurer Bell spoke about a storm drainage and local flood control issue at Hillcrest Avenue. He noted that the Village could apply to cost share a remediation project with the County of Colchester's Flood Advisory Committee, and that the Village has budgeted funding for local flood control. The Commission discussed.

Moved by Kennedy and seconded by Pitcher, that Village of Bible Hill apply to cost share with the County of Colchester for local flood control on Hillcrest Avenue. Motion carried.

Fireworks

This topic was discussed by Clerk and Treasurer Bell in his report, therefore no further discussion arose.

Signage

Commissioner Burke spoke about the lack of NSTIR playground signage, or signage noting that there are "children playing" near parks in the Village. Clerk and Treasurer Bell noted that he will inquire with NSTIR on the matter.

Closed Session – Personnel

Moved by Commissioner Kennedy and seconded by Commissioner Burke that Village of Bible go into closed session.

The Village of Bible Hill regular monthly meeting went into closed session at 9:34 pm.

The Village of Bible Hill regular monthly meeting returned to open session at 9:56pm.

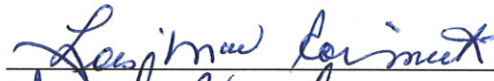

Moved by Kennedy and seconded by Pitcher, that Village of Bible Hill permit an exception to its current Personnel Policy, pending a full review of the policy, to provide an extension of group benefits offered by the policy over the last six months of an eighteen month maternity and parental leave. Motion carried.

Adjournment

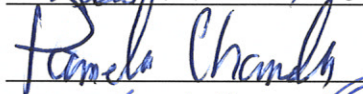

Moved by Kennedy that the July 21, 2020 regular monthly meeting of Village of Bible Hill be adjourned. Motion carried.

The meeting was adjourned at 9:59pm.

**Direction of the Minister
under a Declared State of Emergency**

(Section 14 of the *Emergency Management Act*, the *Municipal Government Act*, and *Halifax Regional Municipality Charter*)

During the Provincial State of Emergency declared on March 22, 2020, and under the authority provided to me in Section 14 of the *Emergency Management Act*, in addition to any other directives I have issued, and as Minister of all municipalities, I direct all municipalities and villages in the Province, including the Halifax Regional Municipality, to:

1. **Effective at 2 pm on March 22, 2020**, discontinue holding their meetings in person, instead only virtual meetings may be held by video or telephone. Those virtual meetings must be recorded, and the minutes posted on a public website within 24 hours of the meeting.

Despite this direction, municipalities and villages are still authorized to continue making other operational decisions especially those required for service delivery.

Please note that these directions are in addition to any requirements established in a Medical Officer's order under the *Health Protection Act*.

A failure to comply with this direction could result in a summary conviction with fines between \$500 to \$10,000 for individuals and up to \$100,000 for a corporation per incident.

This direction will remain in place for the duration of the Provincial State of Emergency unless it is terminated in writing by me earlier.

Dated March 22, 2020.

2019-2020 Crossing Guard Captain Report

Current crossing guard stations

- **Pictou Road/BH Consolidated**- This crossing station is warranted as it is located beside a school and is heavily used by elementary school students.
- **Pictou/Vimy Road**- This crossing station is warranted; this area is a 4-way interstation, and students cross to get to BH Consolidated.
- **Pictou/East Court**- This crossing station is warranted; it has a high volume of traffic especially with new Esso store/Tim Hortons, Revana, Medical Centre and Colchester Christian Academy. Students from Cobequid Education Centre catch their bus there as well.
- **College/Guest Drive**- This crossing station is warranted; this area is near the Rec Park, and the overhead lights are on a blind hill that the elementary school students need to cross to get to their bus stop. In this area there is 2-3 bus stops, students range from elementary to high school. Many students are crossing in the afternoons.
- **College/Maple Blvd**- This crossing station is warranted; this area has a high volume of traffic. Many students walk/bike from Redcliff and BHJH. There are also two bus stops in this area, one is elementary, and the second is Redcliff students. The crossing guard at the station also crosses the students on nearby Brite Avenue if no students are crossing on College Road.
- **College/Saywood**- This crossing station is warranted; many kids cross at this station that walk to BHJH and to Redcliff. Bus stops are located at the school across the street. This area has a high volume of foot and motor vehicle traffic.
- **College/East Court**- This crossing station is warranted; students that cross come mainly from BHJH, with a few Redcliff students. Traffic has drastically increased at this station with the new Colchester Christian Academy, as all the parents now drive their children (no bussing).

On September 3rd, the Village hosted their yearly Crossing Guard meeting that invited our RCMP Community Liaison, school principals along with our commissioners and staff members responsible for the crossing guard program. At our meeting we reviewed the current stations, the school calendar and crossing guard regulations in detail. We also reviewed the drop off and pick up times for schools in our area to ensure our shifts for both morning and afternoon did not require any changes. This year the Village introduced the boot allowance that reimbursed crossing guards up to \$100 for proper footwear during the school year, many guards took advantage of this great incentive. Other policies reviewed were cell phone and the new adopted wellness policy. This year our guards reviewed a training video and discussed proper ways to report hazards and incidents to the RCMP.

Requests have been submitted for the Village to purchase lighter rain gear for all guards for the warmer months. The current rain gear is heavy and good for the colder/winter months. Upon this request, Village staff investigated the option of lighter rain gear that meets TIR standards, and there currently is no lighter jacket option available.

The school year, and therefore the Crossing Guard year, ended short due to COVID-19. The last day being March 13, 2020.

Respectfully submitted,

George Hughes

July Recreation Report

Due to the COVID-19 global pandemic, Recreation and Cultural Services activities have been temporarily paused at Village of Bible Hill. Programs planned for March through August had been cancelled or postponed due to the Provincial state of emergency.

Due to the gathering limits set out by the Province, our most popular events, being Canada Day and day camps have been cancelled. It was a difficult decision to make, but holding a community celebration, and running day camps as we have in the past with up to forty children per day, was not a realistic goal for this summer.

The Back to School Bash has not been cancelled yet. As restrictions are lifted, it is the hopes of the Recreation Director that we can still hold this event. A decision will be made closer to the event date.

Parks were permitted to reopen in early June, while playgrounds were permitted to reopen in late June. The splashpad and washrooms at Bible Hill Recreation Park opened for the season on July 2nd. Bible Hill Recreation Park has been very busy over the last couple of weeks with people finally permitted to enjoy the parks. The warm weather has made the splashpad a popular attraction for children. Trail usage has also increased this summer, with people getting out and enjoying walks and bike rides on the various trails throughout the area.

Baseball and soccer have not been permitted to compete this year, due to COVID-19 restrictions, therefore, the fields are not being used as they have in previous years. Bible Hill / Truro Minor Baseball is however holding skills sessions for the older age groups on field two at the Recreation Park one night per week.

The Parks and Recreation Director has completed the Canadian Playground Safety Institute (CPSI) training for playground inspection and will receive certification shortly. This training means the Village has two full-time staff with certified training to complete inspections.

The Parks and Recreation Director has been working towards ways to offer recreation to the public in a safe way while adhering to the social gathering limits and physical distancing restrictions put forth by the Province. Programs and events may look different from other summers, but it is my hopes that we can still offer recreation options to the residents of Bible Hill during the summer to promote getting outside and exploring the community. I am in constant contact via zoom calls with other recreation departments in the area, discussing ways we can offer programs safely to our residents.

Respectfully submitted,

Josh Kennedy
