

A note regarding facility advertising:

Please note that on September 15, 2020, the Village Commission dedicated the name of the Village's community centre and fire station building as 'H. Douglas Boyce Village Hall'. In making the decision, the Commission reflected on the late Mr. Boyce's many significant contributions to the establishment and operation of local government, the fire brigade, and other community organizations, and the impacts of those efforts on building a strong and vibrant community as a whole, both during his working career and long after. The Village Commission is proud to adopt this fitting recognition in honour of an exceptionally dedicated and impactful resident.
